

Employability Learning Network Integration - Performance Indicators Towards Resource Level 4

Resource Level 4
Your partnership's resource integration can be described as:
Defined and operational in the roll out of our strategy

	PERFORMANCE INDICATORS TO SUPPORT CONTINUOUS IMPROVEMENT	SUPPORT OFFERED TO ACHIEVE THIS INDICATOR
1	Partners have identified the type of resources that could be shared or integrated and have put them forward for project work.	A working group could be set up to deal with this and support can be requested to determine the specific resources and who should champion these.
2	All partnership aims have been agreed upon and are reviewed every 6-12 months.	Support with determining the most appropriate and impactful aims, including how and when to review this.
3	The partnership strategy has been agreed upon and is reviewed every 6-12 months.	Support with determining the most appropriate and impactful strategy, including how and when to review this.
4	Partners are fully aware of the challenges faced by organisations within the partnership, and, resource integration is designed to work with and minimise these challenges.	Support to create an environment actively promoting and supporting wider information sharing. Support to hold regular 'Information Sharing' days which would build on the positive results from current activities.
5	All action plans are designed in correlation with the aims and strategy, and are flexible.	Support determining how best to streamline action plans with aims and strategy while ensuring maximum flexibility.
6	All projects where resources are shared/integrated are continuously monitored and evaluated and key learning fed back into the partnership.	How-to guide' to evaluation.
7	There has been a recent rigorous review of the process for capturing information. These reviews are scheduled every 6-12 month intervals.	How-to guide' to evaluation, including how best to schedule reviews. Support with bespoke review if appropriate.
8	The partnership is able to respond quickly and efficiently to outcomes of the evaluation processes, with the learning leading the way forward.	Support determining how best to respond quickly and efficiently to evaluation outcomes.
9	New partners are requested to review the partnership's effect on local practice by integrating resources.	Questionnaire to give partners approximately 6 months after they join, which will allow them to review the partnership's effect on local practice by integrating resources. Offer feedback to the partnership.
