

Employability Learning Network Integration - Performance Indicators Towards Resource Level 3

Resource Level 3

Your partnership's resource integration can be described as:
Working well in some new areas with challenges and learning

	PERFORMANCE INDICATORS TO SUPPORT CONTINUOUS IMPROVEMENT	SUPPORT OFFERED TO ACHIEVE THIS INDICATOR
1	Partners have a clear understanding of the type of resources the partnership could start to share/integrate.	Take this up as an Agenda item within your meetings for fully discussion and agreement.
2	Our partnership has clear aims to move towards resource integration.	Support with determining the most appropriate and impactful aims.
3	The strategy on how to achieve resource integration has been agreed upon.	Support with determining the most appropriate and impactful strategy.
4	Partners have an appreciation of the challenges faced by organisations within the partnership and take this into account this when considering resource integration.	Support to create an environment encouraging and supporting of wider information sharing. Support to hold an 'Information Sharing' day which would explore partner's roles and organisations, and the resulting resource integration possibilities and limitations.
5	All action plans are designed in correlation with the aim and strategy.	Support determining how best to streamline action plans with aims and strategy.
6	All projects where resources are shared/integrated are continuously monitored and evaluated.	'How-to guide' to evaluation.
7	There has been a recent review of the process for capturing information on resource integration.	'How-to guide' to evaluation. Support with bespoke review if appropriate.
8	Partners are able to challenge the thinking of each other on how resources can be integrated.	Support to create an environment encouraging and supportive of challenge.
9	New partners are invited to review the partnership's effect on local practice by integrating resources.	Questionnaire to offer partners approximately 6 months after they join, which will allow them to review the partnership's effect on local practice by integrating resources. Offer feedback to the partnership.
