

COMMON ASSESSMENT FRAMEWORK TRAINING

Session 6: Reflecting Further on the Assessment Methods Used

Reflecting On Our Approach

1. **Think about the assessment process used currently. Answer these questions in your group. Be prepared to feedback to the larger group.**
 - **Are client needs and strengths being identified?**
 - **Are clients being matched to the right service?**
 - **Is their progress being measured?**
 - **Is the principle of minimum intervention for maximum outcome being applied?**

2. **Think about:**
 - **What is there that is already working well?**
 - **Where is there room for improvement?**
