South Lanarkshire Opportunities for All

Youth Employment Activity Plan

‘YEAP’

Provision of services for young people 16+

Sep - Dec 2017
INTRODUCTION

The South Lanarkshire Youth Employment Activity Plan (YEAP) has been developed in response to national guidance on the ‘Opportunities for All’ (OfA) initiative.

The YEAP for South Lanarkshire profiles a range of local opportunities for Young People against a 5 stage employability pipeline. The focus of provision is on 16+ post school opportunities however there are a number of services that are targeted at a younger age of 14+.

The aim of the Youth Employment activity Plan is to help all our young people fulfil their potential by developing the essential skills they require for life, learning and work.

The South Lanarkshire YEAP is a working live document and will be updated, monitored and evaluated on a regular basis.
The description of each stage is as follows:

**STAGE 1**

**REFERRAL & ENGAGEMENT**
Early identification and engagement with young people including outreach activity

**STAGE 2**

**BARRIER REMOVAL**
In-depth support to address issues and overcome specific barriers to employment

**STAGE 3**

**VOCATIONAL ACTIVITY**
Assisting young people to develop the knowledge & skills they will need to compete in the labour market.

**STAGE 4**

**EMPLOYER ENGAGEMENT & SUPPORT**
Employer Engagement activity matching job ready young people to opportunities in the labour market

**STAGE 5**

**REFERRAL & ENGAGEMENT**
Supporting young people to sustain the positive destination they have achieved

The diagram illustrates the flow of these stages, with arrows connecting them, indicating a cycle:

- Referral & Engagement
- Barrier Removal
- Vocational Activity
- Employer Engagement & Support
- In-work Support
Aspire Vocational Development Programme

Customised programme supporting post-school young people with ASN to achieve further progression.

The programme will focus on those young people with ASN who have not engaged with pipeline provision.

Support will initially be 1:1 with development to group work. Support can be given for up to one year.

Our Stage 1 activity will include; Comprehensive Initial assessment and baseline; Action plans developed to identify and support personal development goals; Hub workshops to develop communication, social interaction and employability skills; Signposting, guidance and support towards a range of positive destinations including NTP Employability Fund Projects, College, Training or Employment.

**Aspire**

Through the provision of a dedicated Aspire Vocational Development Worker, the programme will support young people at risk of not entering a positive destination during their last six months of school.

Aspire also works with young people who have left school and are currently not in a positive destination up to the age of 18. This is extended to the age of 25 for those that are care experienced.

This support will be part of the Pathway planning process in place for all young people leaving school. Aspire is a bespoke programme, designed to meet the young person’s needs which may include, work experience, employability skills, volunteering and health and wellbeing interventions to sustain a positive destination.

YEI is an end to end service providing young people with support and training to access, succeed and sustain employment opportunities.

This service will offer three key elements of service delivery:

1. **Pre – Recruitment Industry Training** - flexible ‘Roll-on-Roll-off’ Programme, employer led industry training will be delivered to meet the needs of a wide range of sectors and job roles.

2. **Employer Recruitment Incentive** - Job Brokerage and Employer Engagement support, designed to create capacity with local employers to facilitate the creation of Wage Subsidy Positions.

3. **Second Chance ILM Programme** - Flexible and responsive programme that will target the hardest to reach and most vulnerable clients, supporting them into sustainable employment. This will involve a pre-recruitment programme, SVQ Qualification and ILM Wage Subsidy within a supported work environment.
EMPLOYABILITY FUND PROVISION

Please note:

- Providers provision may change i.e. duration of programmes, certification on offer etc

- Providers also have flexibility within contracts to move down ages within stages on contract, for example, if Providers do not get enough demand for 25+ they can move these starts down into 16-17 within the same stage – this may result in Providers not taking on board the 25+ starts allocated.
We will offer a small number of individuals, who face extreme barriers to work, the opportunity to engage in employment and training activity delivering vocational and employability training in the fields of soft and hard landscaping, horticulture and woodcraft projects that will help them gain hands on experience and practical vocational skills whilst also enabling them to personally develop.

Activities are designed to enable individuals to explore their capabilities in a safe environment and assess what support they feel they need to achieve their employability goals.
