

EDINBURGH YOUTH EMPLOYMENT ACTIVITY PLAN 2018-19

Q3 Update

Employability Services for Young People

The City of Edinburgh has over 2,500 training and employability development places which are ring-fenced for young people in any given year. This is in addition to the support offered by the statutory agencies Jobcentre Plus and Skills Development Scotland. Young people are also often welcomed to adult provision such as the “Route 2...” [employability hubs](#) across the City.

Provision for young people is across the [Strategic Skills Pipeline](#) (Stages 1 – 5)

For more information about Youth Employment or to provide an update on the information in the Youth Employment Activity Plan please contact Kate Kelman, Programmes Manager, kate.kelman@capitalcitypartnership.org
