We are currently developing a Total Place approach to MCMC and Youth Employability in the city. This brings together all the partners and service users with the aim of developing and establishing a service fit for 2012 and beyond.

Dundee Health and Social Care Academy is a partnership between DCC Social Work Department, Dundee College and NHS Tayside

DCC Education Department offer a raft of opportunities linked to youth employment e.g. Braeview Secondary School in partnership with local business provide training in cosmetology to pupils
